

Prostate Cancer Telephone Groups

For:

- **Men with advanced cancer**
- **Younger men**
- **Family & carers of men with prostate cancer**

People often find it helpful to talk with others who have been through a similar experience. That's why Victorian's affected by prostate cancer are invited to join confidential telephone groups for the cost of a local* call.

Delivered via teleconference, groups are professionally facilitated and meet weekly for one hour over six weeks.

Topics include:

- **Living with the impact of cancer**
- **How cancer effects relationships**
- **Coping with treatment and side effects**

Join the next group today - call 13 11 20 (Vic only) or 03 9635 5000 (for interstate enquiries). Or email csg@cancervic.org.au

*Cost of a local call from a landline connection.
